Hero Portrait

You first project this year is to identify an unsung hero in your life and create a “portrait” of that person. - an interview
- a short biography
- a visual representation

Part 1: The Interview

- Create 10-20 open-ended questions to ask your unsung hero
- Interview him or her and write down the responses

Part 2: The Biography

- Using the information you learned from your interview, write a 2-3 page biography (minimum 500 words)
- Must be typed, double-spaced, Times New Roman, size 12 font

Part 3: The Visual

- Create a visual piece that represents your hero
- Possible options include:
 - drawing/painting
 - sculpture
